Routes may change and new ones may be added. Check with the PETS Helpline or visit our website for the latest information. Some routes may operate only during certain times of the year. You are advised to check this and all your other proposed travel arrangements with the transport company before booking your journey to the UK as they may have their own additional conditions of travel. Please note that pets travelling on the above air routes to the UK must travel as cargo. Check the costs, requirements and procedures with your transport company well before you travel.
